

Be part of history! This September, your business can help celebrate a century of Route 66 and Rolla's 16th annual Celebration of Nations

To honor the 100th anniversary of historic Route 66 and highlight our community's vibrant international spirit, we are offering specially designed commemorative flags for display in front of participating businesses throughout the month of September.

This is a great way to show your community pride, attract visitors, and join in the festivities as Rolla welcomes thousands of attendees from all over the region and world.

MISSOURI S&T

CELEBRATION of NATIONS

One campus. One community. One world.

How to get involved

- Sign up to receive a free 3x5-foot commemorative flag that celebrates both Route 66's centennial and the cultural diversity spotlighted during Celebration of Nations.
- Proudly display the flag at your business location starting Sept. 1 through the Celebration of Nations event on Sept. 20.

Let's make September memorable for Rolla — celebrating where we've been and the many cultures that make our community special.

To participate, please sign up for a flag using the QR code or contact Rebecca West at rebeccawest@mst.edu.
